

Wilmar Edible Oils B.V.

Wilmar Edible Oils B.V. is the Dutch branch of Wilmar International Limited. Wilmar is Asia's leading agribusiness group and is the largest processor and merchandiser of palm and lauric oils. Wilmar Edible Oils B.V. became the first venture in Europe, located at the heart of the Port of Rotterdam. The first refinery of Wilmar in Rotterdam commenced operation in 2005 and the second in 2009. Besides the plant in Rotterdam we have also refineries in Germany and the Ukraine. The trade and commercial activities for Europe are handled in Barendrecht. Quality, service and reliability are the cornerstones to Wilmar's reputation as an international processor and trader in the edible oils industry.

As a result of growth we are currently looking for our office in Barendrecht for a self starting and hands-on:

Financial Accountant

In this position you report to the Financial Controller Europe and perform month end accounting tasks and Treasury in accordance with the company's closing schedules and related to the Holding structure.

Tasks:

- Responsible for month end closing accounting process and ascertain compliance with Wilmar's accounting policies & procedures
- Preparation of monthly Balance Sheet reconciliations, VAT Returns, Intrastat and EC Sales Listings
- Assist the organization in all projects related to the implementation of the European finance organization including SAP, cash management, automating cashbook entries and interfacing with banks software
- Preparation of inter-company reconciliations, control and recording of inter-company recharges
- Interface for ongoing IFRS requirements as and when required
- Assisting of the year-end audit and preparation of financial Statements. Upload and verification of data to consolidation package
- Prepare miscellaneous analyses and reports to support management with periodic filing requirements
- Other ad hoc duties that may be required from time to time

We are looking for a candidate with:

- A bachelor degree in finance/accounting
- At least 4 years relevant working experience as financial accountant at a big accounting firm
- SAP experience is preferred
- Excellent communication - and problem solving skills
- Fluent in Dutch, German and English

We offer you:

A dynamic and a Barendrecht based job within an inspiring young team with the opportunity to bring up your ideas. Taking responsibilities and personal development is self-evident within our company. Wilmar Edible Oils B.V. offers good salary and benefits package.
